Brief Report on the Activity:

This is a training program of 12 modules which is part of the “Energy Literacy Training” of the Energy Swaraj Foundation. The training helps people in understanding energy, its generation, consumption, wastage, carbon footprint, impact on the environment and solution methods.

Energy Swaraj Foundation (ESF), is a not-for-profit organization, working to establish Energy Swaraj - Energy by locals for locals. Based on the Gandhian Principle of Gram Swaraj - Energy Swaraj makes local communities self-sufficient in Energy by enabling localized production and consumption. The Energy Swaraj Foundation believes for corrective climate action a major transformation in energy generation and consumption towards renewable energy can be achieved not by the governments around the world or their policies, but through the involvement of the public.

Brief Report on the Activity:

The Silver Jubilee Run was organized by NSS & Red cross youth wing of Vidyavardhaka College of Engineering on 11th December, 2022. This marathon was conducted on the theme of “Wild Life Conservation”. It was aimed to spread awareness about protection of forest and wildlife. The run started at 7 in the morning and was 5Km long run. Students and professors ran together for this cause.

Overall, the run served as a powerful reminder of the urgent need to protect our planet's biodiversity and inspired many to take action in their own communities.
